3 Organisatie en Wedstrijdleiding

- 3.1 The organisation of the 2Tunnel event is with the Indoor Skydive Roosendaal staff. On the day of the competition the Indoor Skydive Roosendaal staff is in charge of the competition in collaboration with the Tunnel Visie crew.

4 Algemeen Reglement

- 4.1 The 2Tunnel Challenge will be hosted along the lines of the current FAI Sporting Code, General Section and the FAI Sporting Code, Section 5 plus the Competition Rules for the 4-way formation skydiving. The 2Tunnel competition is not a official FAI competition, therefore the organisation has the liberty to diverge when necessary.
- 4.2 Once the draw has been made public participants aren't allowed to practice the draw or similar jumps.
- 4.3 The competition officials need to monitor the competition rules mentioned at item 4.1 as to prevent foul play.
- 4.4 All competitors accept the competition rules by registering for the competition.
- 4.5 All rounds will be judged on location with the use of video footage by the jury.
- 4.6 The total completed formations, according to the draw, in the first 35 seconds of the round will be judged and given a score for the participating team.
- 4.7 In rookie FS, rookie MFS and rookie HU the time will start after the first formation is released. In advanced FS, advanced MFS and advanced HU the time will start as soon as 1 participant has left the floor outside of the tunnel with both feet.
- 4.8 In case the participating team claims to be entitled to a rejump, the competition officials will decide about this. The decision needs to be checked with one of the staff of Indoor Skydive Roosendaal before the decision is final.
- 4.9 The decision to award a rejump needs to be in line with the determinations at item 4.1.
- 4.10 Competitors need to wear a hard helmet that covers the ears.
